The all new Worldwide Importers Register (International Buyers Directory) is a detailed and comprehensive reference tool listing major importers in different countries. Especially designed and compiled for manufacturers, exporters and trading firms who wish to expand international sales. This directory features over 45000 entries of importing firms in Europe, America, Middle East, Asia/Pacific, South/Central America and Africa

The information featured in the Worldwide Importers Register has been carefully compiled through extensive use of questionnaires to provide up-to-date factual information about bonafied IMPORTING FIRMS. The Worldwide Importers Register is indispensable to anyone in the export business.

It is particularly recommended to exporters who will find the contents of great value in their evaluating new potential business contact as strategies. Everyone in your export department will be using this directory. As most exporters have found out, the process of gathering detailed information about importing in other countries is very laborious. This is the reason why this directory will mark its place on the shelves of exporters, manufacturers, governmental trade departments, embassies and export promotional organizations in many countries.

The company information listed in Worldwide Importers Register has also been collected from very reliable sources like electronic media, embassies and different associations of the concerned countries listed in the directory.

Having in view the export promotional programme we have compiled Worldwide Importers Register with our hard work, efforts and devotion.
