

Detailed Project Profiles On Hi-Tech Plastic Products

Author: NIIR Board

Format: Hardcover

ISBN: 8186623078

Code: NI23

Pages: 192

Price: Rs. 795.00 **US\$** 110.00

Publisher: National Institute of Industrial Research

Usually ships within **3** days

The Indian plastic industry has registered an exponential growth and at a higher rate than the plastics industry worldwide. Its development has been striking given the fact that the plastic industry itself has remarkable progress world wide. Today's life without plastic is unthinkable. The industry has outpaced all other industries in India. This is hardly surprising given that the use of plastics has infiltrated all sectors of the economy. The plastic industry in India offers a world of opportunities

Contents
