The small scale sector is assuming greater importance every day. Starting a small scale venture is a reality that has created wide open opportunity and success for those who decided to take the plunge just as it can for you. Setting up a small scale industry is also the easiest and least expensive way to become an entrepreneur. Hundreds of thousands of people start their own businesses every year, and untold more dream about the possibility of becoming their own bosses. While entrepreneurship has its many potential rewards, it also carries unique challenges. To start a business of your own you need to understand the environment to set up an enterprise of your own. To run a successful business, you need to learn all about your existing and potential customers, your competitors and the economic conditions of your market place. An entrepreneur requires a continuous flow of funds not only for setting up of his/ her business, but also for successful operation as well as regular up gradation/ modernization of the industrial unit. To meet this requirement, the Government (both at the Central and State level) has been undertaking several steps like setting up of banks and financial institutions; formulating various policies and schemes, etc. The Government has announced series of steps to promote industrial development by way of rationalization of the policies to encourage the new entrepreneurs as well as existing units. Any unit or new entrepreneur, establishing or implementing the project needs a complete set of plan and finance for making it successful. You do not need to be a genius to run a successful business, but you do need some help. And that is exactly what this book is, a guide into the stimulating world of business ownership and management.

Startup India Stand up

Our Prime Minister unveiled a 19-point action plan for start-up enterprises in India. Highlighting the importance of the Standup India Scheme, Hon'ble Prime minister said that the job seeker has to become a job creator. Prime Minister announced that the initiative envisages loans to at least two aspiring entrepreneurs from the Scheduled Castes, Scheduled Tribes, and Women categories. It was also announced that the loan shall be in the ten lakh to one crore rupee range.

A startup India hub will be created as a single point of contact for the entire startup ecosystem to enable knowledge exchange and access to funding. Startup India campaign is based on an action plan aimed at promoting bank financing for start-up ventures to boost entrepreneurship and encourage startups with jobs

creation.

Startup India is a flagship initiative of the Government of India, intended to build a strong ecosystem for nurturing innovation and Startups in the country. This will drive sustainable economic growth and generate large scale employment opportunities. The Government, through this initiative aims to empower Startups to grow through innovation and design.

What is Startup India offering to the Entrepreneurs?

Stand up India backed up by Department of Financial Services (DFS) intends to bring up Women and SC/ST entrepreneurs. They have planned to support 2.5 lakh borrowers with Bank loans (with at least 2 borrowers in both the category per branch) which can be returned up to seven years.

PM announced that “There will be no income tax on startups’ profits for three years”

PM plans to reduce the involvement of state government in the startups so that entrepreneurs can enjoy freedom.

No tax would be charged on any startup up to three years from the day of its establishment once it has been approved by Incubator.

The major contents of the book are measuring tapes (steel), carbon potentiometers, auto pistons, wafer biscuits (new), automatic curtain opener, tumbler locks, cement concrete tiles and paving blocks, woven labels, electro cardiogram paper (E.C.G. paper), tomato products, leather chappals, distribution board, v. belts and fan belts, baby bloomer suits, electronic quartz analog clocks, power pack/battery eliminators, table fan, potato/banana wafers, laminated safety glass, HRC fuse links, 1000 VAC, directory section etc.
