

# Selected Formulary Book on Inks, Paints, Lacquers, Varnishes and Enamels

**Author:** NPCS Board of Consultants & Engineers

**Format:** Paperback

**ISBN:** 9788190439855

**Code:** NI192

**Pages:** 568

**Price:** Rs. 1,475.00 US\$ 150.00

**Publisher:** NIIR PROJECT CONSULTANCY SERVICES

Usually ships within **5** days

A formula is an entity constructed using the symbols and formation rules of a given logical language. In science, a specific formula is a concise way of expressing information symbolically as in a mathematical or chemical formula. Formulation is a key process in the overall life cycle so that products are delivered that is of the right quality, at a competitive cost, and is made available within the specified time scale. The chemical formula identifies each constituent element by its chemical symbol and indicates the number of atoms of each element found in each discrete molecule of that compound. If a molecule contains more than one atom of a particular element, this quantity is indicated using a subscript after the chemical symbol and also can be combined by more chemical elements. It is all in the formula, whose implications also remain undiscovered by modern economists. It plays a major role in every process whether it is manufacturing process or preservation. There is a big importance of formula in our life because formulas and equations deal with everyday things like shapes, investments, mixing things, movement, lighting, travel and a host of other things they provide information you can use in planning activities.

This book basically deals with inks and marking inks, inks for stamp pads, inks for hand stamps, color stamps for rough paper, indelible hand stamp ink, white stamping ink for embroidery, stencil inks, blue stencil inks, indelible stencil inks, sympathetic inks, typewriter ribbon inks, coloring agents, writing inks, how to decorate furniture, novelties, furniture lacquer enamels, white lacquer enamel, egg shell white enamel, high gloss white enamel, colors for furniture spraying, furniture lacquer formulas., enamels and industrial varnishes, general purposes varnish, spar and boat varnish, exterior varnish, varnish for outside work, spar and yacht varnish, quick drying interior varnish, crystal varnish (indoor), hard varnish for floors, colored linseed oil floor dressing, wrinkle finish varnish, brewers pitch and keg varnishes, undercoat varnish, quick drying varnish mastic varnish etc.

This book present several hundred advanced product formulations for household, industrial and other applications. This book will be of help to development chemists looking for leads in the formulation of a wide range of products.

## Contents

### 1. INKS AND MARKING INKS

Inks

Blueprint Inks

Drawing Inks

Glass, Celluloid and Metal Inks

Gold Ink

Horticultural Ink  
Indelible Inks  
India, China, or Japan Ink  
Ink Powders and Lozenges  
Lithographic Inks  
Marking Or Labeling Inks  
Colored Marking Inks  
Printing Inks.  
Inks For Stamp Pads  
Inks For Hand Stamps  
Color Stamps For Rough Paper  
Indelible Hand-Stamp Ink  
White Stamping Ink For Embroidery  
Stencil Inks  
Blue Stencil Inks  
Indelible Stencil Inks  
Sympathetic Inks  
Typewriter Ribbon Inks.  
Coloring Agents:,  
Writing Inks.  
Copying Ink  
Inkâ€™Luminous:  
Inlaying By Electrolysis  
Ink, Carbon Paper  
Hectograph Ink  
Hectograph Paste  
Safety Ink  
Green Ink  
Finger-printing Ink  
Shading Ink  
Red Ink (Eosin Type)  
â€™â€™™ Emergencyâ€™™â€™™ Red Ink  
Blue Ink, Acid-proof  
Blue-black Writing Ink  
Magoffinâ€™™s Black Ink  
Scovilleâ€™™s Black Ink  
Quick-drying (Writing) Ink  
Permanent Quick-drying Writing Ink  
Printing Composition  
Printing Ink Varnishes  
Marking Porcelain And Glassware  
Ceramic Ink For Marking Glass and Porcelain  
Ceramic Inks For Porcelain  
Ceramic Ink  
Ink For Writing On Glass, Tin Etc.  
Quick-setting Printing Ink  
Print On Wax Or Glassine Paper Bags  
Textile Printing Ink  
Ink For Marking Fabrics  
Kayserâ€™™s Marking Paste For Fabrics  
Silk Screen-printing  
Imitation Engraved Printing  
Lithographic Ink

Soap Proof Laundry Black Ink  
Ink For Printing On Wet Lumber  
Intaglio Printing Ink  
Copper-plate Ink Varnish  
Rotogravure Ink Varnish  
Pale-colored Intaglio Ink,  
Base Ink,  
Brown Ink From Above Base Ink  
Indelible Transfer Ink  
Transfer Composition  
Mimeograph Ink  
Engraver's Black Stenciling Ink  
Stencil Paper  
Stencil Sheet  
Inks, Writing Ink  
Non-corrosive Ink  
Gloss Ink  
Fountain-pen Ink  
Ink Base For Fountain Pens  
Ink From Ink Base  
Stamp Pad Ink  
Recording Inks  
Indelible Ink For Documents  
Permanent Green Ink  
Acid-proof Black Ink  
Marking Ink For Shipping Packages  
Marking Ink (Alkali And Acid Resistant)  
Ink Powder  
Concentrated Ink Tablets  
Invisible Inks  
Transparent Writing Ink Drawing Ink  
Solid Stencil Inks  
Show Card Inks (Solution Bases)  
Oil Stamp Colors  
Stamping Inks  
Stamp Ink For Eggs  
Meat Stamping Ink  
Ink To Mark Linen (Black)  
Laundry Indelible Ink  
Indelible Ink For The Marking of Laundry  
Fabric Marking Paste  
Textile Marking Crayon (Washable)  
Ink For Writing On Photographs  
White Ink  
Ink For Writing on Celluloid  
Cattle Marking Crayons  
Sheep Marking Ink  
Stamp Ink For Backside of Leather Black  
Waterproof Stamp Inks For Backside of Leathers  
Ink For Rubber  
Stamp Ink For Rubber and Rubber Shoes  
Ink For Stamping On Rubber Balloons  
Marking Of Uncured Rubber Mixes

Glass Marking Ink  
Ink For Glass  
Inks For Glass and Porcelain  
Permanent Marking of Glass and Porcelain Vessels  
Ink For Ceramics  
Ink For Brass  
Ink For Zinc or Galvanized Iron  
Ink To Write on Iron or Steel  
Marking Steel  
Crayon For Marking Hot Metal  
Carbon Printing Colors  
White Printing Ink  
Black Printing Ink  
Printing Ink for Glassine Paper  
Preventing Offset in Printing  
Offset Printing Ink  
Printing Offset Compound  
Offset Printing Ink Thinner  
Reducer For Printing Ink  
Extra Slow Drying  
Slow Drying  
Reducer For Black Printing Ink  
Reducing Inks Used With Rubber Rollers  
Deodorizing Printing Ink  
Newspaper Picture Transfer Fluid  
Transferring Colored Newspaper Pictures  
Lithographic Plate Resist  
Moistening Fluid For Mimeograph Rolls  
â€œMake-readyâ€• For Relief Printing  
Mercury Printing Plate Treatment  
Printersâ€™â€• â€œMake-readyâ€• Composition  
Printersâ€™â€• Roller Composition  
Printersâ€™â€• Rollers  
Recovery of Glycerin From Printersâ€™â€• Rollers  
Rejuvenating Typewriter Rollers  
Multigraph Inks  
Ink For Hectographs  
Heliograph Printing Ink  
Kymograph Ink  
Dispersing Oil For Pigment Inks  
Ink For Line-drawing Machines  
Watermark Mixture  
Carbon Duplicating Papers (Black)  
Copying Paper  
Impregnation or Coatings For Carbon Papers, Typewriter Ribbons, Etc  
Typewriter Ribbon Ink  
Typewriter Ribbon, Reviving  
Color For â€œBlue Transfersâ€•  
Transfer-ink  
Stencil Sheets  
Duplicator Stencil Moistening Fluid  
Duplicating Machine Stencils  
Tracing Cloth

Ink For Tattooing Chickens  
Temperature Indicating Inks  
Hectograph Composition  
Indelible Copying Leads  
Non-offset Compound
