

## **Wood and Wood Products, Plywood, Board, Particle Board, Wooden Furniture, Bamboo, Engineered wood, Forest product, Lumber, Tree, Wood drying, Wood plastic composite, Door, Window, Modular Furniture, Timber, Woodworking Projects**

We can provide you **detailed project reports** on the following topics. Please select the projects of your interests.

**Each detailed project report** covers all aspects of business, from analyzing the market, confirming availability of various necessities such as plant & machinery, raw materials to forecasting the financial requirements. The scope of the report includes assessing market potential, negotiating with collaborators, investment decision making, corporate diversification planning, etc. in a very planned manner by formulating detailed manufacturing techniques and forecasting financial aspects by estimating the cost of raw material, formulating the cash flow statement, projecting the balance sheet, etc.

We also offer self-contained Pre-Investment and Pre-Feasibility Studies, Market Surveys and Studies, Preparation of Techno-Economic Feasibility Reports, Identification and Selection of Plant and Machinery, Manufacturing Process and or Equipment required, General Guidance, Technical and Commercial Counseling for setting up new industrial projects on the following topics.

Many engineers, project consultants & industrial consultancy firms in India and worldwide use our project reports as one of the inputs in doing their analysis.

**We can modify the project capacity and project cost as per your requirement.**

**We can also prepare project reports on any subject as per your requirement.**
